

The Smarter Choice for **LABEL PRINTERS**

THE SMARTER CHOICE

Top 5 global barcode printer manufacturer
5 million barcode printers installed worldwide
3 decades of delivering reliable & affordably printers

At TSC Auto ID Technology Co., Ltd. (TSC) we specialize in the research and development, manufacture and marketing of barcode printers. Our commitment to product quality is recognized by our loyal customer base and partner network around the world and has solidified our reputation as a world class printer manufacturer. Whether it is desktop, industrial, mobile barcode printers or print engines and color printers, as well as its accessories and supplies, TSC products stand out for their user-friendly design, stable operation and unmatched durability. We are convinced that only excellent quality and dedicated service will earn lasting trust and praise from customers. Our dedication to our customers' satisfaction and success is what drives the growth of TSC.

- The best price-performance value in the marketplace.
- Industry-best two-year warranty on our thermal barcode printers, which is a testimony to the durable design and construction of our products.
- Top-of-the-line support for resellers and end-users from a can-do engineering and sales-support organization.
- TSC operates its own manufacturing facilities, which gives the flexibility to meet special engineering challenges that outsourced operations simply can't handle.
- Dedication to new product development provides resellers with a growing selection of innovative solutions designed to meet all their thermal label printing needs.
- Product customization & integration ensures smooth system installation.
- Every printer is given two 100% inspections to ensure perfect quality and reliability.

MANUFACTURING

Reduce human error, maximize production

From material tracking to production process management and inventory control, barcode management systems can accurately integrate all information effectively reducing costly human mistakes while raising production capacity and product quality.

WAREHOUSE & LOGISTICS

Improve logistics control procedures, enhance operational performance

From item marking and pallet labeling to inventory control and distribution, TSC logistics solutions will help you track goods throughout the supply chain. Using our barcode solutions, you can accurately identify inventory throughout your storage, handling, and distribution processes.

RETAIL

Simplify work flow processes

Whether it's tracking products, managing inventory, printing receipts, changing price tags or affixing special labels, TSC's sleek line of retail systems is designed to meet every such need a customer may have. Run your store faster and more efficiently, while boosting employee productivity, increasing margins through lower costs, and delivering top notch customer service.

HEALTHCARE

Greater medical safety through real-time access to correct case information

The barcode identification system reduces patient identification errors and ensures accurate tracking and management of patient medical records. Focus more time saving a patient's life and utilize all resources with one of our many printing solutions.

ENTERTAINMENT & HOSPITALITY

Simple interface streamlines ticketing and order taking

Compact, user friendly, and loaded with standard features, our line of printers is ideal for creating admission tickets, loyalty cards, VIP passes, coupons, event wristbands, shuttle bus tickets, and other entertainment-related media. Our printers support a variety of label styles, backgrounds and graphics to help create personalized tickets. Confidential information can also be added to prevent double-issuing and forgery of tickets.

CUSTOM SIGNAGE

High-performance labeling devices, easy solutions for custom needs

Whether warning or caution signage, regulatory labeling, container labeling, printing multiple rows of small labels, or even automatic labeling, the TSC product series has a solution for your specific needs.

TSC INDUSTRIAL LABEL PRINTERS: THE STRONGER CHOICE

For Unbeatable Price-Performance, Unsurpassed Durability

Whether you're tracking materials on the assembly line or through the supply chain, TSC industrial label printers ensure precise end-to-end identification, resulting in improved quality control and significant cost savings. Built to last, our industrial printers feature a heavy-duty steel enclosure and internal assembly designed for extended high-volume use in industrial environments. They are rugged, dependable and designed to operate in cramped work areas where space is at a premium.

With their unbeatable price-performance and reputation for durability, our printers have become popular around the world for hundreds of thousands of customers who realize that TSC is truly "The Smarter Choice" for their industrial labeling needs.

APPLICATIONS BY PRINTER MODEL – THERMAL TRANSFER INDUSTRIAL PRINTERS

THERMAL TRANSFER INDUSTRIAL PRINTERS

INDUSTRIAL

MX240P SERIES – STRONG PERFORMANCE FOR HIGH
 VOLUME LABEL PRINTING. Designed and built to handle your essential labeling needs where failure or disruption is not an option. The MX240P features the rugged components and industry best high speed performance handle the most important small and large 24x7 volume applications. Unique specifications include a 600-meter ribbons capacity, standard multiple connectivity interfaces including two USB hosts for keyboards, scanners and scales support, large addressable space for memory storage and the ability to print high quality tiny (3 mm height) labels.

KEY FEATURES

- Heavy duty die-cast aluminum design
- Fast 536 Mhz processor
- 4.3" color LCD with 6-button menus
- and touch panel operation • Up to 457 mm (18") per sec. print speed

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
MX240P	203 DPI	4.09″	1,000″	18 IPS		
MX340P	300 DPI	4.09″	450″	14 IPS	300 mm x 393 mm x 510 mm 11.81" x 15.47" x 20.08"	18 kg
MX640P	600 DPI	4.09″	100″	6 IPS		

MH240 SERIES – FAST, HIGH VOLUME PRINTING FEATURING SOPHISTICATED DATABASE CONNECTIVITY. Within the MH240 Series are 9 models designed to fit your enhanced print quality and high speed printing needs. The exclusive SSC (Setting Security Control) offers complete setting control, to prevent accidental and undesired changes. The new GUI is designed to deliver a large amount of data to the user in a quick and efficient manner making the MH240 Series the simplest and most informative midrange printer on the market.

KEY FEATURES

 Easy to operate with the new GUI design on color touch display (except basic model)

- 3.5" color LCD with 6-button control for standard model or 4.3" color touch LCD panel with 6-button control for advanced and premium model
- Includes 8" OD full roll internal rewinder (Only on MH240P/MH340P/MH640P)
- Small label peel off Up to 0.5 inch length (MH240/MH340/MH640 and MH240T/ MH340T/MH640T)

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight

MB240 SERIES – SMALL FOOTPRINT, BIG IMPACT.

It's compact design, quiet operation and fast label throughput is equally at home in the office or shop floor. Built on an all metal construction and die-cast aluminum print mechanism to withstand the toughest production environments. The MB240 features a small footprint, easily understood operator interface and a full set of options to meet nearly every printing application.

- 3.5" intuitive color touch display
- Flexible & advanced TPH mechanism
- One step to quick setup/update

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight

TSC DESKTOP LABEL PRINTERS

More Features, More Speed, Higher Reliability

If you're in the market for a desktop label printer that offers you more features and performance for the price, you'll quickly discover that TSC's products – from top to bottom – clearly outpace the competition. We offer a wide range of printers tailormade for almost any desktop application – from patient ID bracelets, shelf labels and event wristbands to voter ID cards, and postal delivery labels. Our printers are loaded with multiple standard features that our competitors often price as options – or don't offer at all.

You'll enjoy the benefits of a printer that is not only rugged, reliable and economical, but also easy to set up, load and operate. Compare our printers with any other brand, and you'll discover what hundreds of thousands of others already have learned: TSC is clearly "The Smarter Choice" for a wide range of desktop labeling applications.

5	stable, high-quality printouts every time. And with the TDM
9	Series battery management solution, the printer effectively
r	monitors the charging status to maximize battery capacity.

KEY FEATURES

- High capacity 1130 mAh & 3080 mAh Lithium Ion battery operates up to 17/42 hours of use per battery charge
- Self-Diagnostic TPH Care Mechanism
 Smart Battery with TSC Printer
- Smart Battery with TSC Management

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
TDM-20	203 DPI	1.89″	110″	4 IPS	79.0 mm x 116.0 mm x 36.5 mm 3.11" x 4.57" x 1.44"	0.22 kg
TDM-30	203 DPI	2.83″	110″	4 IPS	105.0 mm x 116.0 mm x 49.5 mm 4.13" x 4.57" x 1.95"	0.38 kg

ALPHA-3R – SIMPLIFY YOUR EVERYDAY MOBILE PRINTING NEEDS. The Alpha-3R is a comfortable, light-weight printer capable of working with any mobile printing application where you need quick, simple receipts/selected labels on demand. Featuring one of the largest media capacities in its class, and a long-life rechargeable battery – you will spend more time working and less time on maintenance.

KEY FEATURES

- Large paper capacity to reduce the frequency of changing paper roll
- High-speed processor and extensive memory for fast print speeds of up to
- 4" (102 mm) per second • Lasts more than 30 hours of printing
- receipts/selected lables on a single battery charge

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight		
ALPHA-3R	203 DPI	2.83″	90″	4 IPS	116 mm x 148 mm x 70 mm 4.57" x 5.83" x 2.75"	0.55 kg		

ALPHA-4L – RUGGED AND RELIABLE MOBILE LABEL

PRINTING. The Alpha-4L is designed to reliably deliver the mobile labeling and document printing applications you need in the most demanding environments. The printer features a large media cabinet and a long-life rechargeable battery to minimize downtime. With its optional case, the printer is IP54-rated to resist dust, water, and also can endure up to a 6 foot fall and continues to print.

- Works with EPL, ZPL, CPCL, TSC Droid APP & SDK, WinCE Quick-link tool & SDK, iOS SDK
- Wired & wireless communication available: USB 2.0, RS-232, Bluetooth, and 802.11 a/b/g/n
- Linerless ready

Model	Resolution	Max. Print Width	Max. Print Length	Max. Print Speed	Dimensions (W x H x D)	Weight
ALPHA-4L	203 DPI	4.09″	90″	4 IPS	160 mm x 191.6 mm x 79 mm 6.30″ x 7.54″ x 3.11″	1.1 kg
